I. Election Information

Do you have any elections scheduled in your county on November 6th?

- Examples of elections we need to know about: City elections; special elections scheduled to vote on county, city, township or village proposals; special elections scheduled to fill office vacancies; special elections scheduled by school districts; recalls; etc.
- If you do not have any elections scheduled in your county, simply check the "NO" box below and return this form.

YES ☐ If "YES," list the elections and associated printer below and complete sections II and III of the survey. Use additional sheets if necessary.

NO ☐ If "NO," it is not necessary to complete sections II and III of the survey.

II. Programming

Please note how you intend to program the AutoMARK:

- ☐ I intend to perform the programming for the AutoMARK unit(s) which will be used to conduct the listed elections.
- ☐ I would like the Bureau of Elections to perform the programming for AutoMARK unit(s) which will be used to conduct the listed elections.
- ☐ I would like the Bureau of Elections to perform programming for the AutoMARK unit(s) which will be used to conduct a portion of the listed elections. (Please check those elections to be programmed by the Bureau of Elections.)

III. Flashcard Burning

Please note how you would like to burn AutoMARK flashcards:

- ☐ I intend to or have purchased a flashcard reader for my county and will make flashcards.
- ☐ I will not purchase a flashcard reader for my county and would like the Bureau of Elections to make flashcards for all AutoMARK units and send them to me.
